RE: 2016-17 Annual Report

The student athletes at Oscoda High School continue to strive for achievement in the realm of educational athletics. The primary purpose of our athletic department is to promote the physical, mental, social, emotional and moral well-being of the participants. It is also our hope that athletics will be a positive force in preparing our students for the challenges they will face throughout their lives.

The Oscoda Area Schools athletic department has many people to thank for allowing our student athletes the opportunity to grow through educational athletics. The biggest thank you has to go to the many wonderful coaches that we have. Coaching can often be a thankless job but the athletic department does not want that to happen. I appreciate our coaches for their many hours of hard work and their dedicated service to our student body.

Secondly I need to thank Anna Spallinger for her efforts as our athletics' secretary. She has shown a great amount of aptitude for only her first year and she works wonders help keeping the athletic department organized. I would also like to thank Cecelia Post and Dorothy Poland as they sometimes get involved with athletics. The work of all three is greatly appreciated.

Furthermore I have to thank the many people that were able to work game management this year. With over 130 home events the athletic department is in need of competent help to make the events run smoothly. We were blessed to have many. I would like to extend a thank you to Seth Alda, Jana Stepp, Alexandria Steffke, Jim Collins, Sue Barnhart, Justin White, and Mike Berenkowski for all their efforts in helping make our athletic events run smoothly.

In addition I need to thank our Athletic Boosters, who were able to help raise \$77,752 during the past school year. Their efforts afford our teams new jerseys and apparel as well as game and training equipment. Also our events could not happen without our many game volunteers. A compiled list of game volunteers is included in the report. We greatly appreciate their time and efforts.

Finally I would like to thank our Superintendent Mr. Scott Moore, our Central Office Manager Ms. Sue Barnhart, our Chief Financial Officer Mr. Sean Pear, our Director of Personnel Mrs. Janice Lavigne, the Board of Education, and our High School Principal (and game manager) Mr. Terence Allison for all their continued support and leadership in helping our student body enjoy Athletics.

As you will see in the report Oscoda High School had many celebrations this year. Through hard work we expect that we will continue to grow in the realm of athletics.

Respectfully Submitted,

Scott Lueck
Director of Athletics
