## School Annual Education Report (AER) Cover Letter

March 10, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for Richardson Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact the principal for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/KdngMx> , or you may review a copy in the main office at your child's school.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings, top 5% of schools making the greatest gains in achievement (improvement metric), or "Beating the Odds" by outperforming the school's predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases no label is given.

Our school was identified as a STATE "HAS NOT BEEN GIVEN ONE OF THESE LABELS".

One area of focus this year at Richardson Elementary School is Reading. The RES staff has been analyzing student data to develop plans for struggling readers. We have three full time Intervention Teachers that provide intense reading instruction to these students.

State law requires that we also report additional information.

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:** Oscoda Area Schools has only one elementary building and one secondary school. Therefore, students are assigned to the school according to their grade level.
2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:** The school improvement plan of RES was created by our school improvement team consisting of teachers and administrators. The goals reflect the needs of our students based on standardized test scores and classroom grades. The school improvement is reviewed regularly throughout the year in conjunction with the regular meetings of the school improvement team.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL: Richardson Elementary School offers a continuum of programs/service options to meet the needs of students identified as having a disability under Michigan's Administrative Rules for Special Education and or Section 504 of the Rehabilitation Act. Special programs and services are provided for the special instructional needs of students who are eligible under these categories: Learning Disabled, Cognitive Impairment, Emotionally Impaired, Physical Impaired, Other Health Impaired, Speech & Language Impaired, and Autism Scott Moore, Superintendent (989) 739-2330 Fax (989) 739-2325 Impaired. Services for students who need more programs, such as Hearing Impaired, Visually Impaired, Early Childhood Developmental Delay, or Severely Multiple Impaired are provided through the local IRSA.
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL: Copies of Oscoda Area School's core curriculum is available at the main office. They are also available online. The Common Core State Standard found at [www.corestandards.org](http://www.corestandards.org) . The Next Generation Science Standards are found at [www.nextgenscience.org](http://www.nextgenscience.org). The social studies standards can be located at [www.socialstudies.org/standards](http://www.socialstudies.org/standards)
5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS: <https://www.mischooldata.org/NewAer/CombinedReport2.aspx>
6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES: Over 90% of the students had a Parent/Teacher Conference in the Fall of 2016.

Our staff continues to work diligently to align our curriculum and assessments with those of the state. In addition, teachers have been incorporating research-based teaching and learning strategies, with the goal of increasing student achievement. We will continue to work cooperatively and collaboratively with our students, parents, and community to help our students be more successful as they prepare for the future.

Sincerely,

*Eric Allshouse*
