## From the Superintendent

On behalf of the staff at Oscoda Area Schools, I would like to welcome everyone to a new and exciting school year! There are many changes occurring designed specifically to improve and enhance the education of our children! We are pleased to announce that we have hired three new teachers for Richardson Elementary School. Ms. Samantha Dinnan – 6<sup>th</sup> grade science, Ms. Melissa Hutchison – 2<sup>nd</sup> grade, and Mr. Mark Whitley – 1<sup>st</sup> grade. In addition, Mr. Terence Allison joins the staff of Oscoda Area Schools as the new high school principal. The process used to hire these employees was very stringent, and yielded the best crop of talent that we have seen in many years! These new staff members join a very committed group of people that strive to serve the needs of our youth.

We are eager to share with you that major improvements have been made to our campus and to the facilities that students and community members utilize.

- New heating and lighting systems designed to pay for themselves with energy conservation
- One new roof (we have more to go)
- The southeast side of Oscoda High School received major renovations to remove mold and damage caused by leaky roofs
- Parking lot improvements

There will be more projects in the future. The sinking fund has been a major blessing to our students and to our community! We would like to thank you again for your essential support.

Further, and most importantly, I am proud to say that we have been involved in major initiatives designed at improving and enhancing our curriculum and our course opportunities for the students of Oscoda Area Schools. We invite you come to open house on Tuesday, August 26<sup>th</sup>, 5:00-7:00 p.m. to learn about all the programs designed to help your children. We look forward to an excellent school year! As always, please let us know if we can be of any assistance. We are here to serve you and most importantly our children.

--Scott Moore, Ed.S., MPA
