## Home Language Survey for New Students

The Michigan Department of Education requires that all school districts collect information on the language background of each of its students in grades K through 12. The information is used to determine the number of bilingual students in the district.

Please fill out the following survey. Thank you for your cooperation.

\_\_\_\_\_  
Name of Student

\_\_\_\_\_  
Age

\_\_\_\_\_  
School Building

\_\_\_\_\_  
Grade

1. Does your child speak or understand a language other than English?

\_\_\_\_\_ Yes
