Diorama

Article by: Emily Smith, 5th

Photo by: Emily Smith, 5th grade

In Mrs. McMillan's classroom we are learning about the Northwest and Southwest regions. Ava Gooch, Hannah Moore, and Avery Lopez have there dioramas ready and they look amazing.

Five Great Lakes

Article by: Lillian Piotrowski, 4th

Photo by: Maria Fulco, 4th grade

In science class we are learning about the five great lakes. Here are some facts about them. Lake Superior is the deepest lake, also Lake Erie is the shallowest lake.

Masks in Art

Article by: Nathaniel Yawn, 4th

I created a mask in art class and the teacher showed me how. I made my mask out of cardboard. I cut out it and tried to make a gas mask. Then I colored it gray purple and blue. It looks cool.

Think Big

Article by: Raelyn Story, 4th

Think Big is a game that has little challenges that you have to beat. It is like a mind bender. You get things to use, and you have to get the ball to hit a target that has a light bulb over it, but the thing you use can't touch the light bulb or it will break.
