## Book Adventure

Article by: Adriana Aldridge & Adrienne Beckner, 4th

We think Book Adventure is fun because you can read books and earn prizes after you take a quiz. When you are done doing the quiz you can check your points and see how much you have. The lowest amount of points that you have to earn to get a prize is two hundred points.

## The Puppet Show

Article by: Cole Gerow, 3rd grade

Braydon presented a puppet show for his teammates. He used vocabulary words to create his skit. He used a turtle and a crane puppet and brought in a puppet stage.

## Native American Tribes

Article by: Caleigh Berney, 5th

Photo by: Caleigh Berney, 5th

This is Dylan Hodges with his Native American project. In Mrs. McMillan's class we are making Native American projects on the Northwest and Southwest tribes. This project was really, really fun. When you are in 5th grade you will love this project.

## Owl Green Team

Article by: Shelby Bergquist, 5

Photo by: Shelby Bergquist, 5th

Is it a cold rainy morning and you're sitting in the lunch room bored out of your mind, when a group of people are having fun and giving Slomo a bath! Just think about it, where would you want to be? Owl Green Team! Now is the time to join owl green team! You could learn a lot about gardening or if it's a rainy day you could go make Slomo food or just have fun!

## All About Me Posters

Article by: Madison Boland, 4th

All about me posters were made in Mrs. Goodman's class. They are posters that talk about you, and nobody else accept you.

## The Ghost Story

Article by: Jaidalyn Kotula, 4th

In Mrs. Masterson's class we are learning how to collaborate with other students in the classroom. In my group, we are writing about a girl and her friend Lilly that hear strange ghost sounds. Basically how it works is we go on our Google, make something new, share it, and just start writing an awesome story.
