In Mrs. Goodman's class we learned how to go on our google classroom on the laptops. We did a test of reading. She told us we can do our spelling words at home on the computer.

## Math Boxes

Article by: Madison Boland, 4th

Math Boxes are boxes with comparison numbers. You find out which number is bigger and which is smaller. When you know the answer, you learn something about that person.

## T-Shirts

Article by: River Vito, 5th

The fifth grade classes have been working on t-shirts that say a little bit about them so that other classmates can guess who's t-shirt is who's, and learn something new about their classmates.
