## How to Use Cameras

Article by: Kylie Gallahar and Emma Morrison, 4th

We are learning how to use cameras. The first step is to insert the battery into the camera and lock it in place. Then you put the strap on your hand. Next you use the power button to turn it on. You hold down the shutter and take a photo.

## One Color

Article by: Joshua McDonald, 4th

In Mrs. Goodman's class we are writing about if we could only see one color for the rest of our life. What color would it be and why. I chose orange because it is my brother and my mom's favorite color.

Go Noodle is a website kind of like Just Dance. When you get your work done then you and your class get to dance to funny, cute and awesome videos. I hope you try Go Noodle.

## Scarce

Article by: D'Anna Reker, 4th

In Social Studies we had a discussion about the word scarce. Scarce is like 10 people want a piece of gum and you only have 5 pieces you will give the other people something else. There is not enough for the demand.

## 5 Themes of Geography

Article by: Luella Whipkey, 4th

In Ms. Winters class, we are learning about "The 5 Themes of Geography". They are location, place, human environment interaction, region, and movement. We have been studying that for a while and we have a paper that we did in class together. I hope you enjoy our paper. We have been working very hard.
